HTML5 입력 양식 태그와 구조화 태그

[KB] IT's Your Life

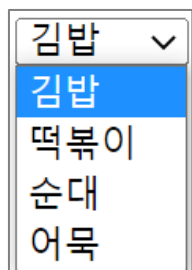

✔ 다음과 같이 폼을 구성하세요.

○ form_basic.html

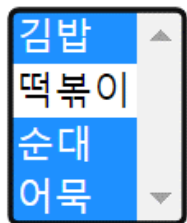

A basic HTML form layout. It contains a text input field labeled '이름' (Name), a group of radio buttons for '성별' (Gender) with options '남자' (Male) and '여자' (Female), and a button labeled '가입' (Join).

○ form_select.html

A form containing a single select dropdown menu. The menu is currently open, showing a list of food items: 김밥 (Kimbap), 떡볶이 (Tteokbokki), 순대 (Sundae), and 어묵 (Eomuk). The first item, 김밥, is highlighted in blue.

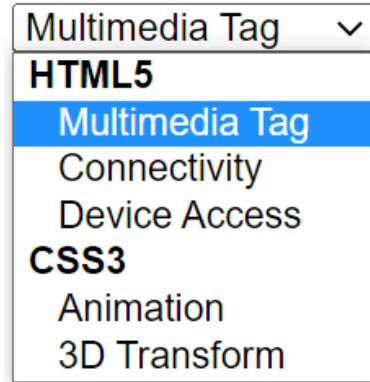

○ form_selectMultiple.html

A form containing a multiple select dropdown menu. The menu is currently open, showing a list of food items: 김밥 (Kimbap), 떡볶이 (Tteokbokki), 순대 (Sundae), and 어묵 (Eomuk). All four items are highlighted in blue, indicating they are all selected.
